Claims 1 thru 3 are replaced with new claims 4 thru 9

The Examiners arguments and examples have been discussed and addressed in addition in the following section.

In conclusion the examiner has written excellent claims and the applicant wishes to use these claims with 2 simple word substitutions and using one part as a dependant claim, if the examiner deems this acceptable.

Very respectfully,

Chris Martin 8510 E. Jenan, Scottsdale, AZ 85261 480-991-8753 The Examiners arguments and examples have been discussed and addressed in addition in the following section.
